ENTERTAINMENT FOR DOGS

What do dogs really like to watch on television? Peter Neville, who studies animal behaviour, thinks he knows and as a (1)..... he has made a video called *Cool for Dogs*. It is not quite *Baywatch*, but it is (2)..... to keep pets amused when you leave them at home.

Many owners think their four-legged companion is highly intelligent and (3).....needs constant mental stimulation. A recent (4).....of Britain's dog owners found that over a third of them were convinced that their pet was as (5)..... as a nine-year-old child. There are even owners who think some dogs are brighter than the average university student (6)..... may say more about our education problems than about dogs. These are just the (7).....of people who feel their pets need an entertaining dog video when they are at (8).....

So what is *Cool for Dogs* like? Basically it consists (9)..... a series of short clips: rocky coastlines, sunsets, lots of dogs running and things (10)..... that. It is not what Hollywood would call a big (11)..... and moreover it lacks something – a plot. But dogs (12)..... Dr Neville, are keen TV-watchers and they like nature programmes. (13)..... we testes it on Laila, our dog. The result? It took several dog biscuits to get nine-month-old Laila to sit in (14)..... of the television. Not a huge success, but who's to say it won't (15).....? It has, after all, been passed as suitable viewing for pets of any age.
